Why AP?

Confidence — Develop better study habits, improve your writing skills and sharpen your problem-solving abilities — this will give you the confidence to tackle the academic challenges that you can expect in college.

Credit — Entering college with AP credits gives you time to move into upper-level courses in your field of interest, pursue a double major, or study/travel abroad.

College Success — Research consistently shows that students who are successful in AP typically experience greater academic success in college than similar students who do not participate in AP.
